#### Women creating a future filled with hope in Syria

This week, open your heart to the reality of women living in a country at war. Listen to the voice of Hannan, a Syrian woman who tells us how our partner's training centres are helping to change the female workforce and the financial autonomy of women in her region. "Through the training course, I personally evolved a lot as a person. Today, I dream of teaching sewing and running a learning centre."

Thanks to your support during Share Lent this year, 280 Syrians will have access to an 11-week training course in sewing and psychosocial services! Next week is Solidarity Sunday and the Share Lent collection will take place. Please, be generous!
